CURIOUS ABOUT TECHNICAL HIGH SCHOOL?

Read these Frequently Asked Questions.

1 What is the difference between a traditional high school and a technical high school?

A Technical High School differs from a Traditional High School in that the curriculum prepares you for specific, in-demand careers. Our programs mirror the workplace.

2 What are the benefits of attending a Technical High School?

Students who attend a Technical High School receive technical education that prepares them for a specific career field in addition to earning a high school diploma through a curriculum that teaches math, science, reading, social studies, english, and more.

3 When can I start?

Students can begin academic classes every quarter. Start times for specific career training classes depend on the availability of seat openings.

4 How many credits are required to attend Bates Technical High School?

You can have as little as 0 credits and as many as 24 credits. All students will have a fresh start once here at Bates.

5 Who is eligible to attend?

High school students ages 16-21 who have not yet obtained their high school diploma.

Note: *Students who are 21 years of age on or before September 1st will not qualify. Those who turn 21 after September 1st, remain eligible for the entire school year, extending through the following August.*

6 How long will it take to graduate?

Depending on your program choice, most of our programs will take a student between six to nine quarters to earn an associate's degree. Upon completion of your degree, you will also obtain your high school diploma!

7 How much does it cost?

The cost to attend Bates Technical High School is $FREE$. We provide students with loaned books, tools, and supplies. Laptops are available on a first-come, first-served basis. Student IDs are provided at no cost for your first card. A replacement ID is $10.00. ID cards will act as your Bus pass as well.

8 Where are the classes located?

We offer high school classes on all three campus locations. The location of your classes will depend on the campus of your chosen career training program.

9 Does Bates offer sports?

We do not offer sports. However, students can participate in sports at their designated home school. This refers to the school closest to their home address, not the school they are currently attending.

10 Do you offer English as a Second Language classes?

Yes! ESL classes are offered for $25.00 per quarter (ask about fee waivers). If you are interested in taking an ESL course or have questions, please email Rachel Smith at: rachel.smith@batestech.edu.
